CHANGES IN PAYMENT METHODS FOR ACCOUNT CLIENTS

Accrual accounting will be operational for the whole of the Northern Territory government from 1 July 2002. As part of the change over, the Department of Corporate and Information Services (DCIS) will now be receipting and managing accounts payable to the Land Titles Office.

The Land Titles Office will no longer be able to receipt payment of accounts dated after 1 July 2002, however, old invoices dated before 1 July will continue to be receipted in this Office. DCIS will be accepting payment of all invoices sent out after 1 July 2002 in relation to Land Titles Office account clients. They will also manage debt recovery.

You will notice changes to the invoices effective as of this month. On the remittance advice a unique invoice Id. has been stated eg. Invoice Id. LTO97200206035. This should always be quoted when making payment to a DCIS cashier. The invoice date has also changed. For the month of July the dates will be from the 1 July 2002 to 25 July 2002. The next month's date range will be 26 July 2002 to 25 August 2002 and will continue in this way.
